Our sister State across the river is still pursued by Radical malignity. The earnothnesses are averse to giving up V. Smith is still the wild man of the We love Tennessee too well to see her waons, but he and Clayton are busy in who can but he and Clayton are busy in their nefarious schemes. The people of Arkansas shudder at the ides of being and pay than to apply a conferences in Illino remedy worse than the evil. It is student and other places, while the student and the studen plundered again by thieves, and they are restless under the machinations of these villains. A desperate effort will duced, that we will not do this or that be made by the present Radical congress, which convenes on Monday next, to restore the State to Radical rule upon or do a great deal worse. Such a grave the ground that the new constitution was not lawfully adopted and that the proceedings under it are revolutionary the question remains to be solved, shall and void. It is admitted that the new
